

Dan Flynn Project Superintendent

Dan Flynn has 28 years of experience in the construction industry, 26 of which have been spent with Welsh Construction. He specializes in existing tenant improvement remodeling and new leasehold projects. Dan's primary responsibilities are to coordinate and maintain all field-related activities for the construction project including manpower, tools and equipment, project schedule, job site safety, and subcontractor work.

Dan began with Welsh Construction as a carpenter in 1981. He was promoted to Project Superintendent in 1983. Prior to joining Welsh, Dan worked as a carpenter for Grogan Construction for two years.
