

Rod Kalina Superintendent

Rod Kalina has more than 20 years of construction industry experience and has been with Welsh Construction since the year 2000. His areas of expertise include tenant improvement remodeling, new leasehold improvements and complete building renovations. He has also supervised many design build projects with Welsh Construction, including projects for Miracle Ear and North Central University.

Prior to joining Welsh, Rod worked for such notable construction firms as CB Richard Ellis Construction, Koll Management Services Construction, the Shelard Group, Crawford Merz and Opus Construction in positions ranging from Foreman to Field Superintendent.

Rod's primary responsibilities as Project Superintendent include coordinating fieldwork and manpower, as well as maintaining the project schedule by working closely with the Project Manager, subcontractors and clients.
