

## Chris Loberg Senior Project Manager

As a Senior Project Manager, Chris Loberg is responsible for overseeing all aspects of tenant improvement projects for Welsh Construction. Interacting closely with both the client and the project team, Chris works hard to complete assignments on time and within budget. With 14 years of experience in the construction industry, Chris has the knowledge and skills necessary to seamlessly coordinate the most complex build.

An experienced estimator, Chris has a strong understanding of construction costs and a keen eye for detail which allow him to anticipate and circumvent potential project setbacks. Applying proven leadership skills, Chris navigates his team through the construction process to a successful project completion.

Listening and understanding the needs of a client are a top priority for Chris. He works hard to meet the needs of each client by spending the time upfront and throughout the course of a project.
