

## Don Gonsior Project Superintendent

Don Gonsior has 25 years of experience in the construction industry. Don's areas of expertise include tenant improvement remodeling and new leasehold projects, as well as specializing in welding, cabinet making and Formica finishing.

Don's primary responsibilities are to coordinate and maintain all field-related activities for the construction project including manpower, tools and equipment, project schedule, job site safety, and subcontractor work.

Don joined Welsh Construction in 1997 as a Project Superintendent. Prior to that he was Foreman for Gonsior Drywall/Gene Anderson Drywall from 1979 to 1997. He also worked for Anderson Drywall as a Carpenter Apprentice for Tony Gonsior Roofing as a Roofer.
